## Hampton Synagogue Hosts Stand with Israel Event

The Hampton Synagogue hosted the Stand with Israel concert, bringing together members of the community in an expression of support. The event featured performances by Cantor Netanel Hershtik, Shiree Kidron, Gilad Paz, the Rambam Trio and Tovah Feldshuh. The gathering also welcomed guest speaker NY State Comptroller Thomas P. DiNapoli. The Stand with Israel concert at the Hampton Synagogue served as a platform for both artistic expression and the unity of a shared connection to Israel.
